

To Whom It May Concern,

The students of _____ High School are cordially invited to register for the Muslim Inter-Scholastic Tournament (MIST)! This is a statewide and national academic event that aims to bring high school students together from around the nation to develop leadership, promote communication, and inspire creativity while developing a greater understanding of the true, peaceful spirit of Islam and Muslims. Students will participate in a wide range of knowledge, arts, and skills developing workshops and competitive events, and bring back awards for their achievements to their high schools! This tournament is open to all high school students regardless of their religion, race, gender, or background.

We highly encourage _____ High School to help us in the development and motivation of our youth into individuals who are open-minded and educated about current social issues and events of the world by giving them the opportunity to letter through this tournament and possibly providing transportation. We are all working for the development of these students into caring, productive, and strong young adults. If you have any questions, feel free to contact us at info@getmistified.com. Please visit www.getmistified.com for details about this year's events. Thank you for your time and cooperation.

Sincerely,

The MIST 2010 National Board
