Summoning the Strength of Compassion

Debate Topics

This year's MIST Debate topics are as follows:

1. THBT carbon taxes are more beneficial to the environment than clean-energy subsidies.
2. THBT governments should financially support paid parental leave.
3. THBT the United States should provide unconditional developmental assistance to undeveloped nations.
4. THBT the government should index minimum wage to inflation rate.
5. THBT private businesses should not be required to provide a service if it conflicts with their religious beliefs.
6. THBT stricter regulations on cryptocurrency are beneficial to the economy.
7. THW allow members of the armed forces to benefit from the institution of labour unions.

THS - The House Should

THBT - The House Believes That

THW - The House Would
